Re: I-539 Change of Status

Dear Officer:

I am currently in the United States on a B-2 visa and I would like permission to change my visa status to F-1 student. I have demonstrated enough funds to support my stay while in this Country.

I would like to change status to F-1 in order to have the opportunity to gain additional knowledge in the English Language, which is possible under F-1 status but not under B-2 status. Please find my I-539 application, SEVIS Receipt of Payment, and other supporting materials along with this letter.

Thank you in advance for your consideration of this application. My attorney has helped me to write this letter.

Sincerely,

Homaira
